International Conference on Asia Agriculture and Animal

SAPPORO, JAPAN

ICAAA

January 16-18, 2026

ABOUT ICAAA

Asia Agriculture and Animal are important fields for future scientific upgrading on farming, crops, irrigation. Since the first conference was held in Hong Kong in 2011, the conference has been held for 12 years. The international event focused on the original basic and applied research in the field of Asia Agriculture and Animal. ICAAA attracts a large number of scholars from dozens of countries and regions, such as USA, Japan, South Korea, Canada, Malaysia, China, Taiwan, Thailand, Australia, Indonesia, Saudi Arabia, etc..

2026 13th International Conference on Asia Agriculture and Animal (ICAAA 2026) will be held during January 16-18, 2026 in Sapporo, Japan. This conference concentrates on findings of the original, either theoretical or applied research, which is suitable for international communication and exchange of scientific ideas. Papers can be submitted and presented for discussions. Industrial companies, incubators and investors are also welcome to join ICAAA. The conference will provide a platform for scholars to interact and find new opportunities for science and technology development.
